

Plan #14 Daily Bible Reading Blended Plan In A Year

This plan is designed to add variety to your Bible reading!

The Blended Plan divides the Bible so that the reader will read books in a nontraditional sequence. For example, while one is reading the book of Luke, also you are reading the book of Genesis and the Psalms. We highly recommend the Blended plan for reading the complete Bible in one year. Because each individual is different we have 4 different Blended Plans to choose from. Our only motive is whichever plan you choose, you will be successful in reading God's Word.

Recommend printing out the Bible Reading Plan (mark your progress each day).

Tips on Reading the Bible Daily

1. Start reading the Bible today -- there is no better time.
2. Set aside a specific time each day. Set your schedule and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.
3. Read the Bible for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking the Holy Spirit to give you wisdom and understanding, then be refreshed by the words you read!

- Begin your Bible reading journey! – Read 3 passages each Day.
- Customize your reading plan schedule to fit your own pace.
- Highlight verses, take notes and bookmark your Bible!

Keep track of your daily reading by **printing** out reading plan and keeping a copy in your Bible.
